

## **Dr. Fabio Savastano**

MD, DDS, MSc.Orth

Dr. Fabio Savastano is a physician and orthodontist with extensive expertise in Neuromuscular Orthodontics and Cranio-Mandibular Orthopedics. He earned his medical degree with honors from the University of Naples in 1987 and completed his orthodontic specialization at the University of Padua in 1990.

He is Professor and Director of the Master's Programs in Neuromuscular Orthodontics and Craniomandibular Orthopedics, and in Neuromuscular and Aesthetic Dentistry, at Universitat Jaume I in Castellón, Spain, and serves as President of the Italian Section of ICCMO.

A pioneer in his field, Dr. Savastano introduced neuromuscular principles to Brazil in 1994 by teaching its first course there. He has published several papers on neuromuscular dentistry and orthodontics, and authored *Neuromuscular Orthodontics: A Clinical Guide* (Springer Nature, 2023), consolidating decades of clinical expertise into a comprehensive reference on the neuromuscular approach.
