

Dr. Marian V. Constantinescu

Prof, DDS, MSc, PhD

Professor Marian V. Constantinescu is a distinguished educator, researcher, and specialist in dental prosthetics, currently President of the Holistic Dental & Medical Institute – ROPOSTURO. He was the first to introduce neuromuscular dentistry (1981) and biopostural medicine (1995) into Romanian dental education and clinical practice.

A graduate of Carol Davila University of Bucharest (DDS, 1973; PhD, 1999), he was appointed Professor and Head of Department in 2009 and served as Medical Director of the Prof. Dan Theodorescu Oro-Maxillo-Facial Surgery Hospital between 1998 and 2008.

He is Editor-in-Chief of the Stomatological Education Journal and has authored more than 12 books and over 200 scientific papers. He also co-edits a Springer Nature volume dedicated to the applications of TENS in dentistry (2026).

His contributions have earned him numerous national and international awards, medals, and distinctions, including recognition in 2025 among the Top 100 Dentists of the World.
